

BARNHAM BROOM

25th March 2020 Update in relation to COVID-19

Our policy has been, and will remain, to follow the latest Government guidelines and requirements connected with the current coronavirus situation and to update our procedures on a continuous basis.

Following the further measures announced by the Government. We have closed our bars, restaurant, health & fitness facilities, Spa, Golf club and golf shop at Barnham Broom, as requested. Our hotel operations will remain open to support key workers in order to provide them with accommodation and we will prioritise use for NHS personnel and health professionals.

In these unprecedented times, we would like to thank everyone for their collaboration and cooperation in helping us, as well as yourselves and all those around you, in following the advice of Public Health England and the Government.

Our telephone lines have been very busy and we will do our best to answer calls and respond to enquiries as efficiently as possible. Unless urgent, we kindly ask you to communicate via email to the following address: enquiry@barnham-broom.co.uk which will be continuously monitored and we will endeavour to provide swift responses where required.
